

Sturgeon Lake Cree Nation ASETS Program

Contract of Agreement

I _____, of the Sturgeon Lake Cree Nation agree to the following terms and conditions of my ASETS Training/program sponsorship:

- I authorize the Sturgeon Lake Cree Nation ASETS Program to verify any information stated on my application form.
- I also authorize/consent to disclose personal information and the release of information to the institute/organization/service provider/Government of Canada/WCTC/ Employment Insurance from which I am attending and/or applying to; in order for my sponsorship to continue.
- I shall notify the Sturgeon Lake Cree Nation ASETS Program of any changes in my program, the number of dependants, address, phone number or other items that affect my program eligibility.
- I agree that any requests or any changes in financial assistance will be submitted in writing to the ASETS Coordinator.
- I agree that any financial assistance granted is for the purposes of ASETS Skills Development Training and also agree that I will submit receipts for funding issued directly to me for payment of fees and or work related equipment and supplies.
- I agree to adhere to the Client Action Plan and goals therein; failure to do so will result in immediate termination/or suspension of funding.
- I agree that if any conditions apply for financial assistance, they must be met prior to receiving any financial assistance and is at the discretion of the ASETS Coordinator and is subject to the availability.
- I agree that any financial assistance provided in error will be repaid in full on an agreed upon re-payment schedule.
- I understand that if the Program Coordinator becomes aware that I have intentionally deceived the Sturgeon Lake Cree Nation ASETS Program or breach this contract in anyway, The Program Coordinator on behalf of the Sturgeon Lake Cree Nation Program has the authority to terminate this contractual agreement.

I authorize Sturgeon Lake Cree Nation ASETS, Program to release my name to prospective employers, researchers and Human Resources Development Canada research, statistical analysis or program evaluation.

I have read the above information and understand it completely.
