

Canadian Natural

Do you know that Canadian Natural Resources Limited has a Scholarship Program for qualifying students that live in Indigenous communities near our operations?

If you are interested in learning more and would like to apply for the Building Futures Scholarship Program check it out here for complete details:

<https://www.cnrl.com/careers/student-opportunities/scholarships.html>

Scholarships awarded based on key criteria, including:

- Attend post-secondary, masters or trade-school.
- Field of study relevant to the oil and gas industry
- Location in relation to Canadian Natural's operations
- GPA of 2.5 (70% passing grade)
- Enrolled in three courses per semester
- Community involvement / volunteerism
- Financial hardship challenges are also considered

Application Periods:

Fall Semester: July 10 – August 15

Winter Semester: November 10 – December 15
